VISITING RUIDOSO, NEW MEXICO AND THE SURROUNDING AREA

While visiting Ruidoso, enjoy local artists and talents at the performing arts and dinner theaters or stroll along Midtown (located on Sudderth Drive) and visit over 100 shops, restaurants and galleries. Ruidoso also offers an immense array of outdoor activities such as golfing, mountain biking, hiking, fishing, prospecting, gold panning, backcountry treks, and horseback riding. Ruidoso is an outdoor enthusiast's delight.

Ruidoso is also near White Sands National Monument, Carlsbad Caverns, Valley of Fires, Gran Quivera, Wildlife Refuges, and Ghost Towns.

Southern New Mexico is packed with historical and archeological sites. Native Americans mapped this landscape for subsistence, trade and community welfare; pioneers settled and mined, farmed and ranched. There are military forts and battlefields, railroads, missile ranges, and cultures that clashed and joined together; all these contribute to our rich Southwestern heritage.

SILENT AUCTION AT THE CONFERENCE

NMAFP will have a Silent Auction during the Ruidoso Conference. Proceeds will go toward the support of FM Residents and Medical Students interested in Family Medicine. This includes free registration to all NMAFP Conferences, an annual Med Student Reception, scholarships to the National Resident & Student Conference in Kansas City and other projects throughout the year.

Find that "very special item" that you want to donate and bring it with you to the Conference.

It will be a lot of fun, and the proceeds will support a very important cause. The Silent Auction held in Taos last year was a huge success bringing in over \$4,500. Let's keep up the good work for our Residents and Med Students!
