Diabetes Trending: Where are We Going in New Mexico? How can we Change the Trend?

What: In-person Event or Webinar

When: Tuesday, March 19, 2019, 7:00 a.m. to 9:00 a.m.

Where: HealthInsight Office, 2nd Floor Conference Room, 5801 Osuna Rd, NE, Albuquerque, NM 87109

For: Medical providers, organizations working on diabetes

Purpose: Review and discuss Diabetes data and 3-year data trends* in New Mexico with the goal of identifying 2 to 3 areas of focus for improving diabetes care in our state, as well as next steps to reach that goal.

Who: Discussion facilitated by Philip Jameson, MD, physician with Sandia Labs Health Management Clinic and member of the American Diabetes Association and Patricia Montoya, MPA, BSN, Executive Director of the New Mexico Coalition for Healthcare Value

** The data for the report were gathered by IQVIA, Durham, North Carolina, a leading provider of innovative health care data products and analytic services.*
